 - c. If the competitor cannot continue because of the injury to the head area, the attacker will be disqualified.

NOTE: Inability to continue because of fright, crying or loss of will following a kick to the head which did not cause injury does not constitute grounds for disqualification of the attacker.

1. In National Qualifier and National Junior Olympic Championships sparring competition, the rules concerning a kick to the face shall be as follows:

This is to better align with current WTF standards; however, the criteria for “excessive contact” will continue to be strictly enforced.

Points:

A legal punch to the body will receive 1 point. A legal kick to the trunk will receive 2 points. Successful turning kicks to the body shall be awarded three (3) points in all sparring divisions.
